

4-in-1 Versatility

35C-WHPDT Workhorse Permissible Diesel Tractor

For more than 45 years, Fairchild's equipment has been helping mining companies worldwide achieve the productivity gains they need to stay competitive. Now, we're making our latest combination of field-tested excellence and versatility available to you.

If you transport materials through the toughest conditions, operate in slope-graded mines or just need a utility scoop, our **35C-WHPDT Workhorse Permissible Diesel Tractor** is right for you.

This unit can be converted to a utility scoop by removing the fifth-wheel assembly and installing a variety of attachments, including a 140 cu. ft. center eject bucket, various maintenance buckets and forks with duckbill, giving you "4-vehicles-in-1" to keep your underground operations successful.

To make sure you're using a tractor that sets the industry standard, call us at 540-724-2380, e-mail sales@fairchildint.com or visit www.fairchildint.com
